
Integrated Engineering Group IEG was Established in 2000 in Syria by a group of mechanical and electrical engineers who have a long history in this field and have a vision to integrate their works to an up to date Electromechanical Company that have the infra structure to comply with the international standards in Designing, Supplying , Installing and commissioning of Electro-Mechanical Works.

Mainly:

- Heating, Ventilating, and Air Conditioning Systems.
- H.V.AC Control & Building Management Systems “BMS”, SCADA and control Systems.
- Plumbing and Sanitary Systems.
- Electrical Systems.
- Assembling Electrical Control Panel Boards MCC's Panels.
- Assembling Electrical Distribution Panel Boards.
- **ELV Systems** (Fire alarm, Nurse call, Sound evacuation, Public Address, CCTV, Access Control).

We are proud To be a partner In Syria For “Schrack Seconet” Which is an Austrian high-tech company for fire alarm, communication and security systems and is one of the leading international suppliers in these areas.

The company has subsidiaries in Poland, Sweden and Hungary as well as representative offices in Romania, Russia, Slovakia, the Czech Republic, Turkey and India. A network of local partners is available in the other countries of Eastern and Central Europe and in many countries in Asia and Africa. In Austria, Schrack Seconet operates six branch offices - starting from its headquarters in Vienna - each with several connected service centers throughout Austria, thus ensuring the high quality of customer service.
